About SentiLock Home Showings

SentiLock is the official lockbox solution for NAR. As the leading electronic lockbox manufacturer and provider of property access management solutions, SentiLock operates in support of REALTORS® and the industry, offering an easy to use, reliable and secure system. Fundamental core values guide every action and decision to provide the best service and experience for your benefit.

The SentiLock Bluetooth® REALTOR® Lockbox is the most secure, durable, and versatile within the industry. SentiLock's reliable, multiple key access method, including via mobile app or keycard, helps to efficiently gain property access.

Every month SentiLock, LLC. provides NAR with data on the number of properties shown by a REALTOR®. SentiLock Lockboxes are used in roughly a third of home showings across the nation. Foot traffic has a strong correlation with future contracts and home sales, so it can be viewed as a peek ahead at sales trends two to three months into the future.

Showings Definition: a scheduled appointment with a REALTOR® where a potential buyer of a property toured a home.

Card Definition: the number of accesses to SentiLock Lockboxes a REALTOR® inserts their SentiCard® into or uses their SentiKey® to gain access to properties.

Showings Per Card Definition: the average showings per card

SentiCard®: contains authorization data that allows you to access lockbox key compartments,

SentiKey®: lockbox system app that contains authorization data that allows REALTORS® to access lockbox key compartments. Most lockbox accesses are via the SentiKey® smart phone app.

The number of showings reflects the number of properties, viewed, the number of potential buyers viewing the property, and the number of views by a potential buyer on a property. The increase in showings and cards can also reflect increasing market coverage of SentiLock.
